RECENT GRADUATE OR STUDENT

Now that you are on your own, don't try to "get by" without health insurance.

BETWEEN JOBS, PART-TIME EMPLOYEE OR SELF-EMPLOYED

Don't run the risk of being uninsured while you're between jobs. And don't assume that expensive COBRA coverage is your only choice*.

IF YOU'RE UNINSURED, DON'T WAIT TO CALL

It can take less than 24 hours for a health crisis to turn into a financial crisis. One night in the emergency room, one day in intensive care, one MRI — that's about all it takes for most people to start suffering financially.

EARLY RETIREE

You've worked for many years and now you can kick back and enjoy life. But if you become ill, healthcare expenses are the last thing you want to worry about.

SUPERMED ONE GIVES YOU AFFORDABLE CHOICES

Everyone's needs are different. That's why SuperMed One has a variety of deductibles, coinsurance and copays.

SUPERMED ONE® ENROLLMENT IS FAST AND EASY

Don't take a chance, SuperMed One from Medical Mutual™ offers you an affordable choice of permanent or short-term health coverage that protects you from this risk. If you qualify, you can be enrolled and insured right away.
